

How to Authenticate This Official Transcript From DeVry University

This official transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. If you are not the intended recipient, please call the DeVry University Student Services Contact Center at 877-496-9050. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. If this document has been issued by DeVry University, and this document is viewed using Adobe® Acrobat version 6.0 or greater, or Adobe® Reader version 6.04 or greater, it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by DeVry University with a valid certificate issued by GeoTrust CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

This symbol indicates that this document does not have a valid certification and signature message, and should not be considered as an official document issued by DeVry University. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

An Author Unknown error message can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message, make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, this document should not be considered as an official document issued by DeVry University.

The transcript legend is the last page of this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

If you require further information regarding the authenticity of this transcript, you may call the DeVry University Student Services Contact Center at 877-496-9050.

Supplementary Undergraduate Transcript Information

ACCREDITATION

DeVry University is accredited by The Higher Learning Commission and is a member of the North Central Association of Colleges and Schools, www.ncahlc.org. The University's Keller Graduate School of Management is included in this accreditation. DeVry University operates as DeVry College of New York in New York State and as DeVry Institute of Technology in Calgary, Alberta.

The Government of Alberta granted DeVry Institute of Technology accreditation to award baccalaureate degrees commencing 2001. The Government of Alberta granted DeVry Institute of Technology approval to offer diploma programs under the Private Vocational Training Act. The Government of Alberta granted DeVry University (Arizona) approval to offer certain programs at DeVry Institute of Technology in Calgary. These programs fell under the accreditation of DeVry University (Arizona) as an off-site instructional location. The names of degrees and diplomas offered may be found in the Academic Calendar.

In addition, a number of programs at certain locations are accredited by profession-specific accreditation agencies that set standards of quality for education programs in their professions. The most updated programmatic accreditation information is available at

www.devry.edu/whydevry/accreditation.jsp.

GRADING SYSTEM

Grade	Percentage Equivalent	Grade Index Points
A	90-100	4.00
B	80-89	3.00
C	70-79	2.00
D*	60-69	1.00
F	Below 60*	0
I	Incomplete	0

Designator	Definition
N or X	Current Term In Progress, Final Grade Not Yet Posted
R	Supplemental Pass (former Ontario student, treated as a D)
S	Satisfactory (non-credit course only)
U	Unsatisfactory (non-credit course only, March 1988 and later)
V	Audit (no academic achievement implied)
W	Withdrawal Prior to Official Withdrawal Deadline

*A grade of D is not assigned for ESL or skills development courses, and a grade of F is assigned in these courses for percentages below 70.

A pound sign (#) preceding the course title indicates the course was taken for enrichment or skills development purposes. Such courses are excluded from scholastic averages, but institutional credit is earned for the grade and credit hours as listed.

An asterisk (*) preceding the course title indicates a repeated course.

A designator of W indicates the student withdrew from that course within the approved time period. Withdrawal after the approved time period results in a grade of F or designator of U, as appropriate.

An "Incomplete" is converted to a final mark of F or U, as appropriate, if the full requirements of the course are not satisfied by the student within the approved time period after the date of the Incomplete.

TRANSFER CREDIT

In general, external transfer credit may be awarded for equivalent coursework completed with a grade of C or better at another accredited institution.

Courses taken in one DeVry curriculum that are equivalent to requirements in a student's new curriculum will be included in the scholastic averages for the new program.

CALENDAR AND CREDIT UNITS

All DeVry programs are currently based upon a semester calendar comprising three 16-week academic periods each year. Semester-length courses meet for 15 weeks, and many courses are also offered in 8-week sessions within the semester. Final grades are posted, and grade point averages, academic honors and academic standing are calculated, at the completion of the semester only. Academic standing is not noted on this transcript.

SCHOLASTIC AVERAGES

The scholastic average, or grade point average (GPA), is computed by dividing the grade points (PTS) earned by the number of credit hours (HRS) scheduled in which a final grade has been recorded (excludes designators S, W, U, and V). TERM denotes credit hours, grade points and GPA for a term. CUM denotes cumulative credit hours, grade points and GPA. Both the term and cumulative GPAs are based on courses applicable toward graduation in the current program of study only. All attempted coursework appears on the transcript. In general, for courses attempted more than once, the best grade is included in the cumulative GPA.

OTHER INFORMATION

Records Converted from DeVry's Previous Student Information System:

Non-Degree-Seeking Students: Students may enroll in selected courses without applying for admission to a specific program. These students are noted as ENROLLED IN NDS. Although a term GPA may be listed, academic standing and similar data are not calculated for these students.

Disciplinary Matters: Authorized inquiries regarding disciplinary matters may be directed to the Conduct Administrator at the location listed on the face of this transcript or to the DeVry University Student Services Contact Center at 877-496-9050.

Campus or Location of Enrollment: The student's initial and subsequent locations of enrollment are listed on the transcript. A change may be preceded by a notation indicating that the student transferred locations.

Special Transcript Entry: The notation "COMPUTER-GENERATED TRANSCRIPT IS INCOMPLETE" indicates that academic record information exists (generally prior to 1983) that is not stored in the computer records. In these cases, a manually generated transcript or supplement to the computer-generated transcript will be supplied. Information on the front of such transcripts may provide details about the grading system or other academic information in effect at the time the student attended.

Name Changes of Specific Locations (current name and effective date listed first):

DeVry University: Phoenix, AZ; Fremont, CA; Long Beach, CA; Pomona, CA; Sherman Oaks, CA; Orlando, FL; Colorado Springs, CO; Westminster, CO; Alpharetta, GA; Decatur, GA; Addison, IL; Chicago, IL; Tinley Park, IL;
Irving, TX; Arlington, VA; and Federal Way, WA; eff. February 2002
- each of these locations was formerly DeVry Institute of Technology

DeVry College of New York, New York, NY; eff. April 2008
- formerly DeVry Institute of Technology

DeVry University, Columbus, OH; eff. February 2002
- formerly DeVry Institute of Technology; eff. October 1983
- formerly Ohio Institute of Technology

DeVry University, Kansas City, MO; eff. February 2002
- formerly DeVry Institute of Technology; eff. October 1983
- formerly Missouri Institute of Technology

DeVry University, North Brunswick, NJ; eff. September 2003
- formerly DeVry College of Technology; eff. January 2001
- formerly DeVry Institute; eff. July 1996
- formerly DeVry Technical Institute

Canadian Locations

In 1956, DeVry opened its first Canadian location, DeVry Technical Institute, in downtown Toronto. Over the years, locations included North York, Scarborough, and Mississauga, and the organization's name was changed to DeVry Institute of Technology. In 2002, with all offerings consolidated at the Mississauga location, the name was changed to DeVry College of Technology. The final classes in the Toronto area were offered in the Summer 2004 semester, with the final awards conferred in October 2004. Although DeVry Toronto did not award bachelor's degrees, graduates of a number of its programs were eligible to attend selected other DeVry locations to complete their degrees. DeVry's Calgary location opened in 2003. In 2013, the Calgary location announced plans to transition to serving students solely through online course offerings. The Calgary campus closed on June 30, 2013. The Calgary Student Support Centre opened in downtown Calgary to assist students during the transition through July 2016. Student records from these locations are maintained by DeVry Online Services, 1200 Diehl Rd., Naperville, IL 60563, 877-496-9050.

Historical Records

DeVry University maintains student records and generates transcripts for schools acquired by DeVry Education Group, formerly DeVry, Inc., including, but not limited to, the Bell & Howell Schools, Denver Technical College, Missouri Institute of Technology, and Ohio Institute of Technology.

Contact DeVry University Student Services Contact Center at 877-496-9050 for information on ordering transcripts.
